Organisation details

We collect constituency information to understand where our funding is making a difference and to assess the geographic reach and impact of our support. How to find your Scottish Parliament constituency To identify your constituency, please visit the Scottish Parliament website: link here 1. Enter your full postcode in the search box. 2. Click "Search" to view your results. 3. The page will display your constituency name and your local MSP. 4. Ensure you select the correct constituency (not the region) when completing your application. This will then populate the region.	Constituency:
